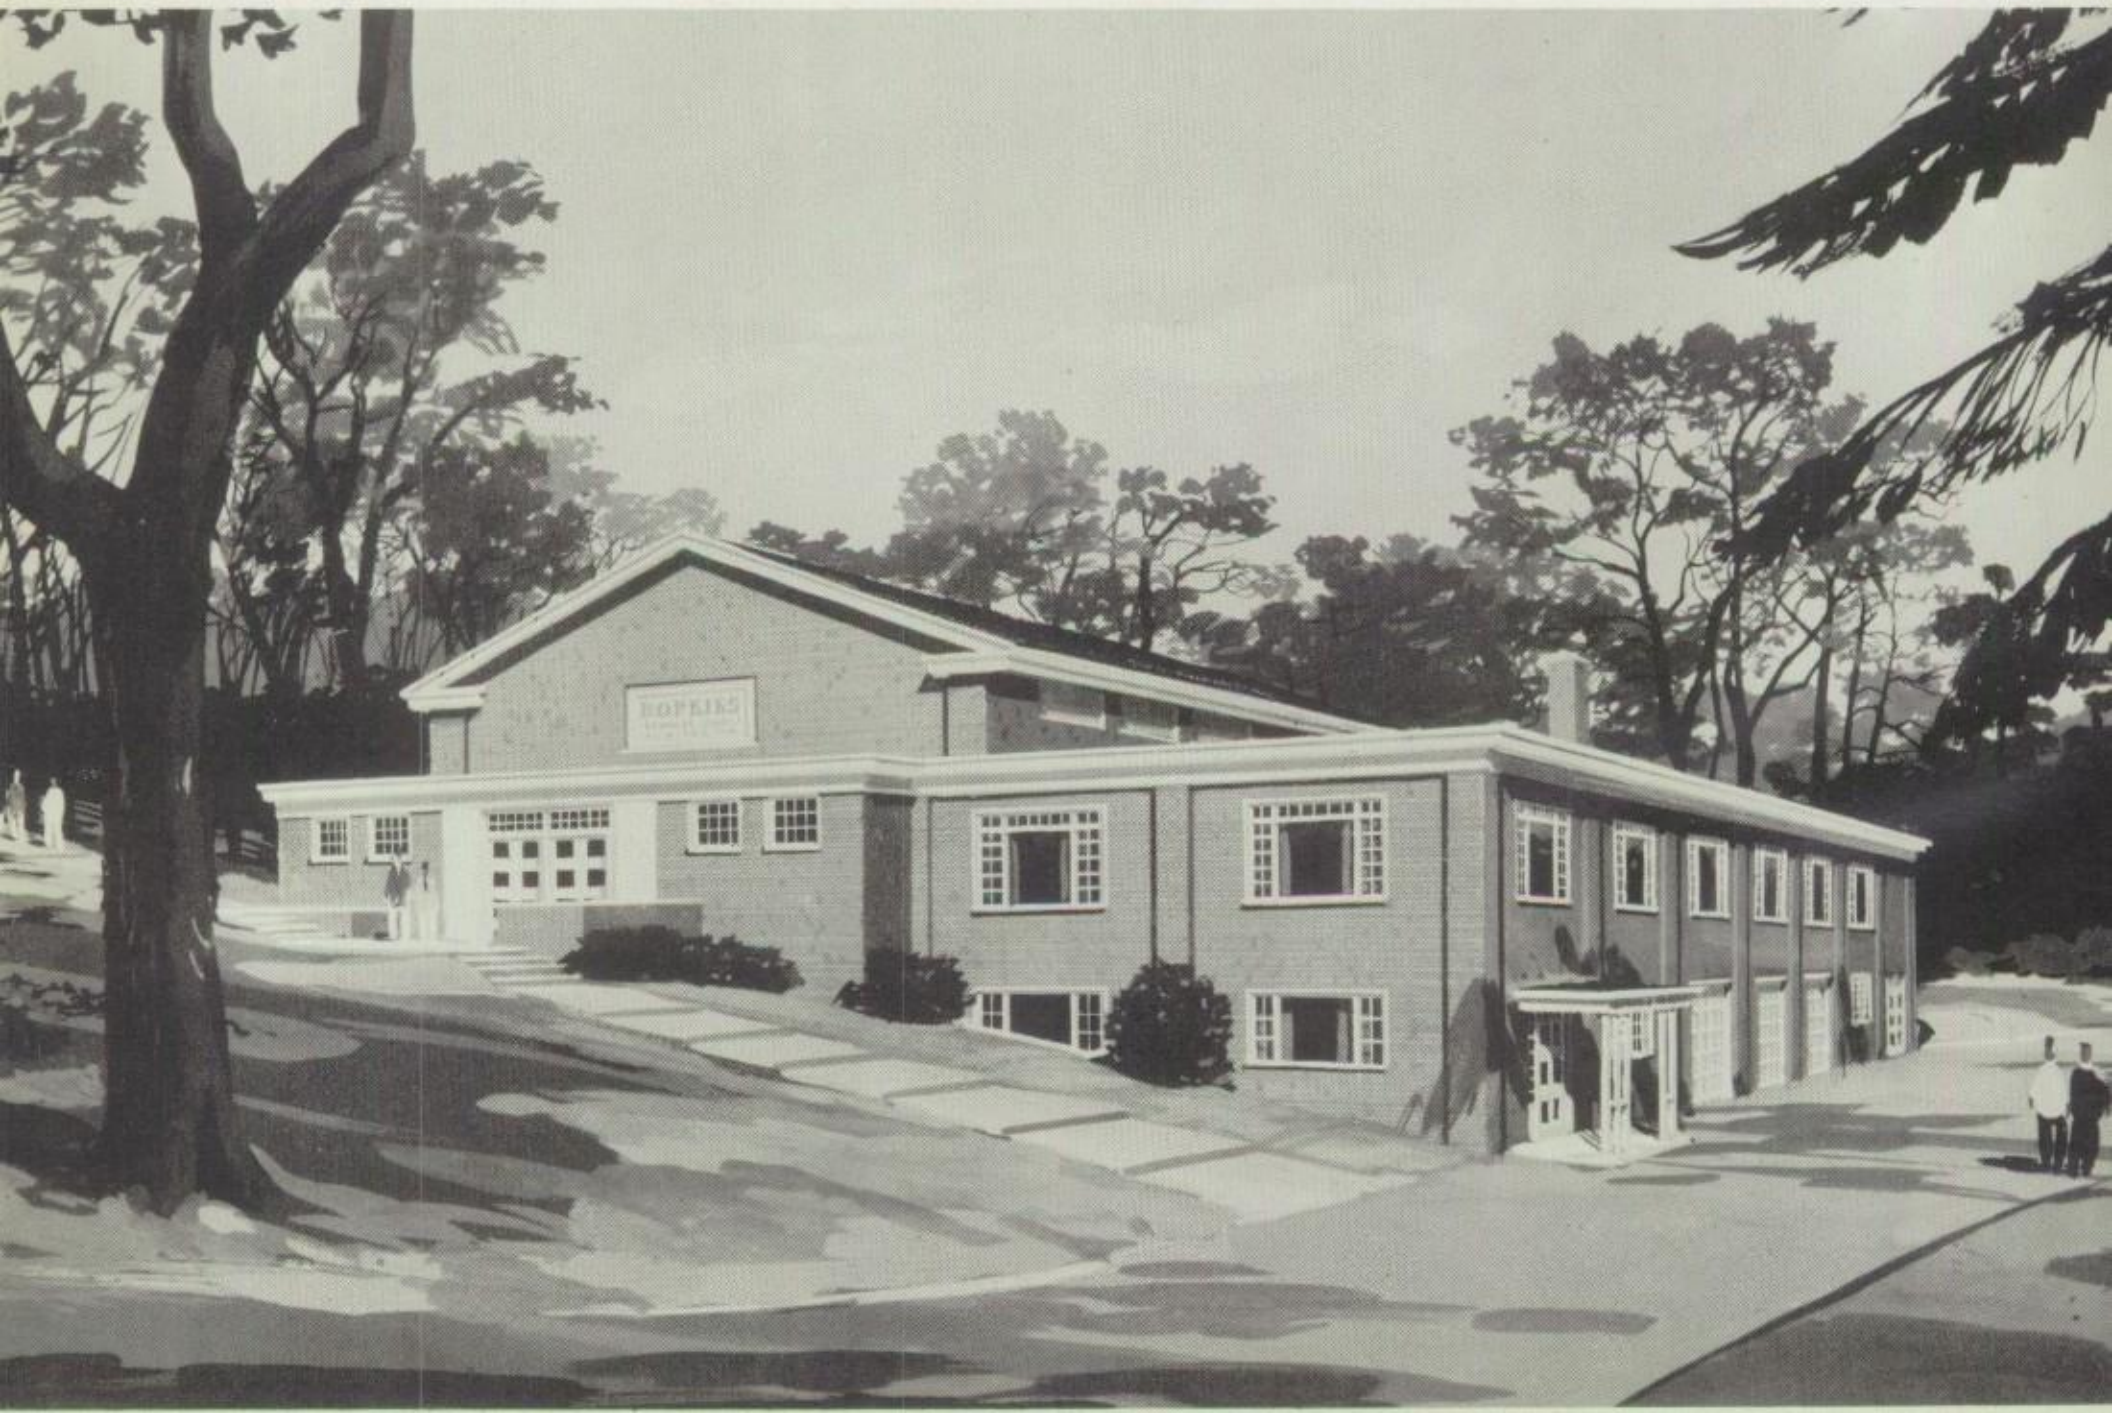
# 300 YEARS, 300 BOYS, $300,000

"300 years, 300 boys, $300,000" is the motto of the Tercentenary Fund Committee, the dream of which is a building which will be located where the garage presently is. When completed in the year 1960, in time for the Hopkins Tercentenary celebration, the proposed building will provide ample facilities for 300 students.

According to Mr. F. Allen Sherk, "Much credit for the campaign should go to the enthusiastic parents who have spent long hours on organization, soliciation, and follow-up." Mr. Robert Reigeluth is the chairman of the Tercentenary Fund Committee, while Mr. Grant Nickerson has served as the leader of the present parent group, ably assisted by captains Mr. David Hummel; Mr. Stanley Cullen; Mr. Albert Cott; Mr. John Carroll; Mr. Louis Hemingway, Jr.; and Mr. John A. English.

The ground floor of the edifice, which has been designed by the same architectural firm that drew up the plans for the Headmaster's home—Schilling and Goldbecker of New Haven, will consist primarily of a garage and workshop; a lobby, receiving room, and a storage area. On the first floor will be included an auditorium with a capacity of 400, a permanent dining room, and a music room.

The aim of the building program, which will include several changes in Baldwin Hall, is to create for Hopkins a well-balanced plant for a school of 300 boys and to offer the major activities which a good country day school should provide.



# *In Dedication*

To a man, to whom we of the Sixth Form owe so very much, we dedicate this volume of the *Pantagraph*. For Mr. John M. Heath has not only guided our destinies in the selection of colleges, but has also earned the universal respect and admiration of the Class of 1958 by always having our best interests at heart. This is far too small a tribute to a man who has been not just a faculty advisor to us but a friend as well; we have been able to bring our most perplexing problems to him; he has helped us solve these problems with sincerity and enthusiasm. Because of our profound respect for him and our realization of his unselfish devotion, we, the Class of 1958, humbly dedicate this Pantgraph to Mr. John M. Heath.

# THE HISTORY OF HOPKINS '58

On a crisp fall day in mid-September, with the feel of approaching winter in the clear air, the members of the Hopkins Grammar School Class of 1958 trudged up the steep slopes of the hill and began a six year journey that saw its climax this June with their graduation; eight of these hopeful and naive lads founded the Class of 1958. These survivors will long remember Miss Carver—her inspiration and the test she gave on "the very first day of school." The youngsters elected Lee Titus, now at Yale, president and Chris Doob, secretary, with Ernie Anastasio, the treasurer.

As Second Formers, the Class of '58 found themselves the leading contributors in all the fund raising campaigns and were led by Lee Titus and Ernie Anastasio, our Student Council representative. We were prominent on both the Junior School athletic teams and the various Honor Rolls.

Dave Branon provided the leadership in our Third Form year, and Bob Kolb and John Schneider served as vice-president and secretary-treasurer, respectively. The Proctor's Club, despite several "purge trials," guided the Junior School under the direction of its officers: Dickson Carroll, who left us for Andover, president; John Schneider, vice-president; and Dave Hummel, secretary. The year was a smashing success, both athletically and socially as well as scholastically: we sponsered a class skating party and took charge of Junior School Day.

Our dramatic entrance into the Senior School was led by Dave Branon, president; Bob Mignone, vice-president; Ernie Anastasio, secretary-treasurer. John Schneider, Walt Parcinski, and Bob Kolb represented our class in the Student Council. And a committee consisting of Jim DeLucia, Allen Miller, Gordon Daniell, John Schneider, Bob Mignone, Walt Parcinski, and Bob Kolb, and led by Dave Branon, produced the most successful dance that Hopkins had seen—the Sweetheart Swing.

The Junior Prom, with the theme "Rhapsody in Blue," at the Quinnipiack Club was one of the highlights of a Fifth Form year led by Dave Branon, president; John Schneider, vice-president; Ernie Anastasio, secretary-treasurer; Gordon Daniell, Bob Kolb, Walt Parcinski, and Bob Mignone, secretary-treasurer, Student Council representatives. A Planning Committee was elected, and "Squeakie" Sumner, Jim DeLucia, Ernie Anastasio, John Schneider, Bob Mignone, Gordon Daniell, and Dave Branon were choosen to plan the class functions. A Ring Committee, consisting of Doug Sperry, Bob Mignone, and John Schneider, chose the class ring, which has since been selected as the standard school ring.

As seniors, we reached the close of our Hopkins' careers. John Schneider was elected to the post of class president, with Dave Branon and Ernie Anastasio serving as vice-president and secretary-treasurer, respectively. Dick DiNicola, Doug Sperry, Bruce Harding, and John Schneider, Council vice-president, represented us in a Student Council presided over by president Walter Parcinski. The annual Varsity Hop was planned by a committee of Dave Branon, Pete Meehan, Jim DeLucia, Bruce Harding, Bob Mignone, and headed by John Schneider. This committee produced a record dance held in the Cage for the furnishing of the proposed senior and underclassmen lounges.

Graduation and the Senior Prom at the Pine Orchard Club climaxed our six years' odyssey on the hill. They were a six years filled with triumph and dispair, success and defeat; yet we weathered them and became more closely knit than ever before. They have been good years, and all thirty four of us are walking down the hill for the last time with no small feeling of regret, for the school has done a great deal for us; our only hope is that we have been able to do a little for the school.

# FIFTH FORM

*First Row*: E. Kavanaugh, S. Sewall, J. Sampiere, R. Haeseler, W. Hildebrand, Pres., C. Adams, J. Pouzzner, P. Fielding, W. Gfroerer, J. Finkle.

*Second Row*: D. Ragaini, A. Schwartzman, J. Casner, R. Workman, W. Brucksch, G. Langner, J. Marothy, A. Rogol, S. Korper, D. Murphy, P. Scott.

*Third Row*: S. Boies, S. Gollinger, P. Mendelsohn, P. Thompson, G. Choban, G. Linsley, M. Wilder, J. Shanbrom, T. Sherk.

*Sixth Row*: A. Conrad, W. Dow, T. Tilson, P. Shull, J. Reynolds, P. Bunting,

*Missing*: H. Bergman, M. Mack, F. Fowlkes, N. Milikowsky.

The members of the Fifth Form, one of the largest classes in Hopkins history, made their presence felt in many capacities this year. Athletically, the Fifth Formers have served as the backbone of almost every varsity team. Two of the four captains of spring sports are from this class. They are Tom Tilson and Ed Kavanaugh in tennis and golf respectively.

Two Fifth Formers were on the *Razor's* editoral board, namely Robin Haeseler, Features Editor, and Mike Wilder, Sports Editor. In the Literary Club Stephen Sewall was elected secretary and John Finkle, assistant-editor of the magazine. In their studies the class is practically the traditional leader in numbers and percentage making the Honor Roll. This spring the Fifth Form sponsored the Junior Prom, which proved to be an extremely successful function.

Elected to serve their class this year were William Hildebrand president, Charles Adams vice-president, and Robin Haeseler secretary-treasurer. Last year Robert Dickie was elected secretary of the Student Council.

Without doubt the Fifth Form is entirely capable of assuming the important positions vacated by this year's Senior Class, and they will unquestionably perform the duties with their habitual success.

# FOURTH FORM

*First Row*: D. Sloane, W. Silberberg, J. Perelmutter, P. Rowley.

*Second Row*: J. English, T. Loop, R. Lee, G. Cott, J. Kimberly, S. Feinstein, Pres., D. Kushlan, C. Scoble, T. Seymour, W. Paladine, A. Welch.

*Seventh Row*: W. Bakke, J. Chirgwin, R. DeMayo, W. Bloch, C. Sauer, D. Sturges.

*Missing*: A. Backstrom, R. Ripps, R. Fay.

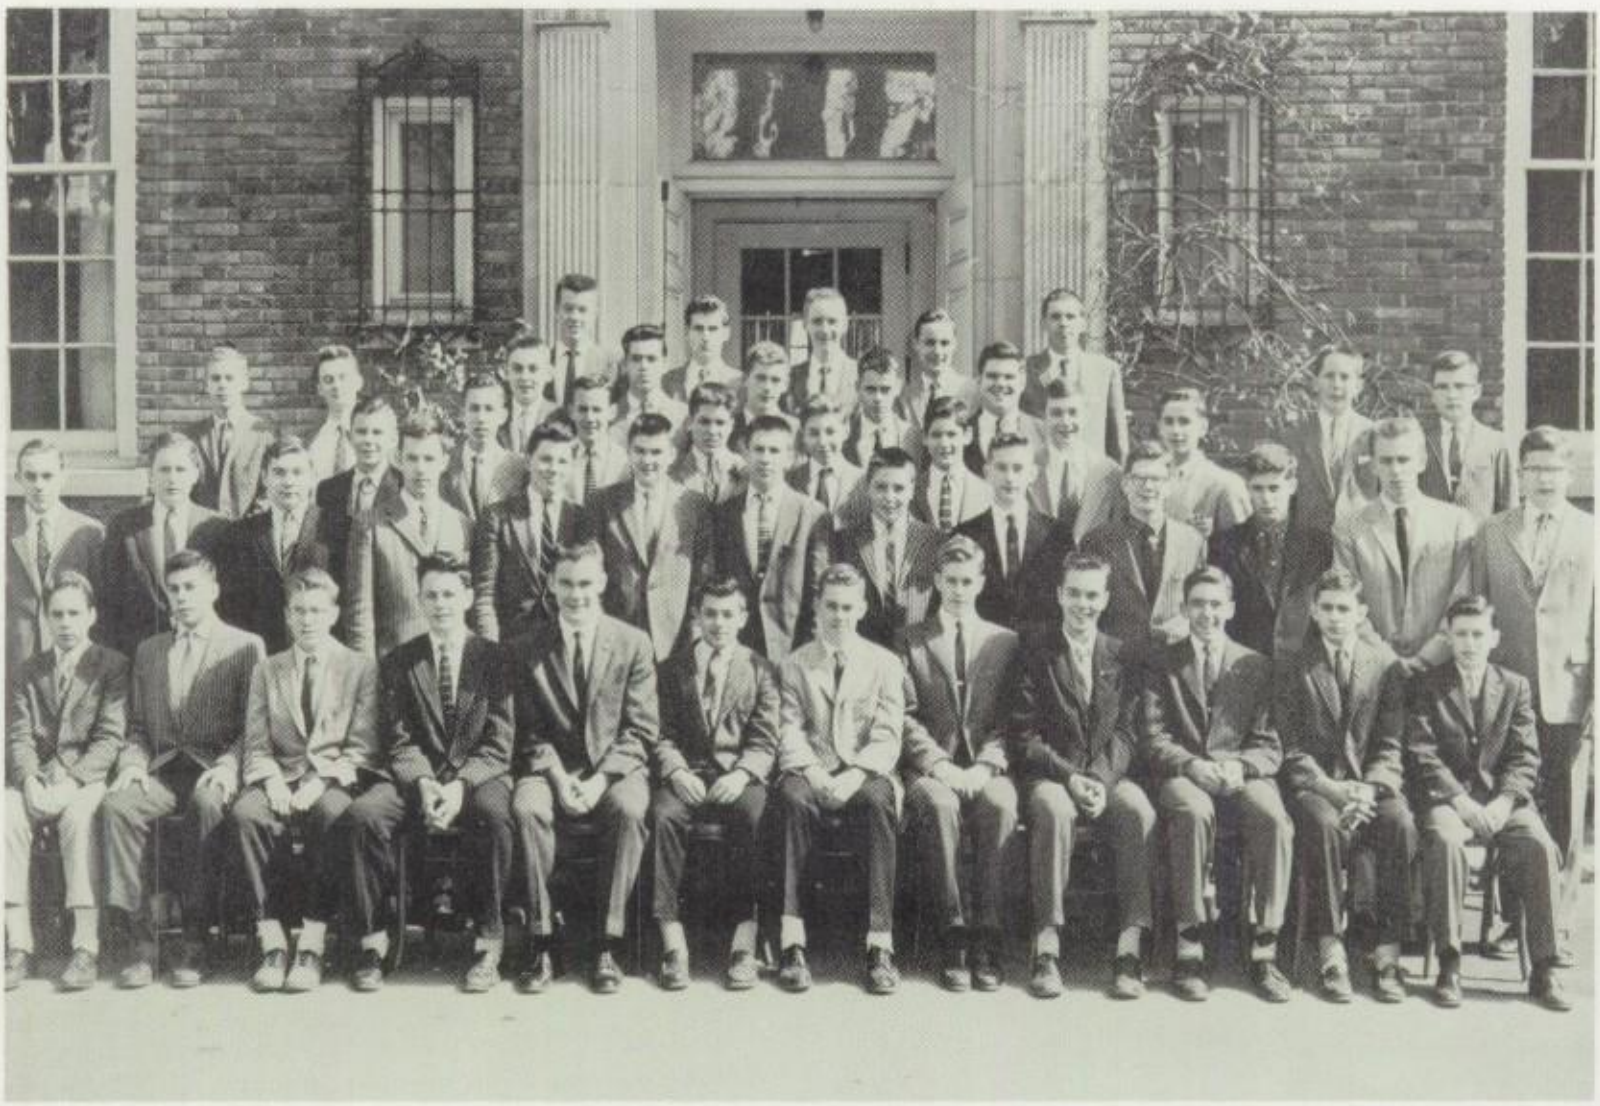
Upon entering the Senior School, the Fourth Formers elected Stephen Feinstein president, Thomas Seymour vice-president, Clinton Scoble secretary, and David Kushlan treasurer. Gordon Cott, John Kimberly, and Robert Lee were chosen as the class's Student Council representatives.

The Fourth Form dance, the "Sweetheart Swing", was carried out with traditional success. Douglas Sucher as chairman was in charge of a committee whose members were Feinstein, Clarke, Bachman, Thomas, Schpero, Seymour, Onsager, Kimberly, Wernick, English, and Macauley.

The Fourth Formers, the youngest Senior Schoolers, have done admirably in all extra-curricular activities, especially athletics. The teams have all been greatly bolstered by representitives of the class.

Along with its other contributions the class of '60 has been one of the most successful academically, often placing a larger percentage of its members than any other form on the Honor Roll.

# THIRD FORM



*First Row*: P. Setlow, R. Delfini, P. Jordan, W. Burke, J. Carroll, F. Auletta, W. Hart, Pres., F. Buddenhagen, M. Kittredge, R. Kessler, G. Lowman, K. Billings.

*Second Row*: D. Mathewson, W. Griswold, A. Reynolds, D. Konowitz, W. Hitchcock, J. Tuttle, H. Korman, R. Fucci, J. Coogan, W. Whitfield, J. Small, G. Baldwin, A. Caldwell.

*Third Row*: A. Rudin, M. Stein, S. Trotman, F. Boyd, R. Paier, S. Hunt, J. Robertson, M. Giordano, W. D'Olier, P. Zallinger,

*Fifth Row*: R. Clarke, H. Eckhardt, D. Hawley, G. Thim, H. Bullard.

*Missing*: D. Merkt, P. Jacobson.

The Third Form found themselves in an important situation of authority this year. As the oldest class in the Junior School they chose the members of the Proctor's Club, the governing body of the Junior School, from their midst. With John Tuttle president, the club has been as successful as past years in its dutiful endeavors.

The class officers, elected at the beginning of the year, were William Hart as president, with Frederick Auletta and John Carroll his subordinates.

Athletically, the Third Form placed several of its members on the junior varsity basketball, soccer, and baseball teams, and Jack Carroll won his major H in football. The class also produced the principal stalwarts for the Junior School contests with the other schools.

In other aspects of Hopkins life the Third Form has also been very active and successful. The Parent's Night program was principally a result of the class's collective efforts. The Junior Glee Club and other clubs are strongly supported by the Third Form. In their studies this class has demonstrated increasing dilligence and achievement, evident in the growing number who have earned Honor Roll status. Socially, the Third Form was active, too, having staged several dances with Prospect Hill.

In short, upon graduation into the Senior School, we can be confident in the class's success for they have already been meeting increasing responsibilities with commendable maturity.

The class officers for the Second Form were Theodore Shen as president and Robert Gutman and Robert Adams as vice-president and secretary-treasurer respectively.

About one third of the class's members have been exercising their Literary talents by writing poetry. They produced a collection of poems, all the details connected with the undertaking being accomplished by the students themselves.

There are several other fields of endeavor in which the Second Form deserves commendation. From present indications many members of the class will make good varsity performers in Senior School sports when they are a little older. In the annual Parent's Night, the Second Formers produced several skits which were very successful. The class's extra-curricular activities included Junior School organizations such as the Glee Club. Members of the class were very active in these clubs.

It is certain, thus, that from their present accomplishments, that the Second Form will serve well in the capacities of added responsibility that they are soon to encounter.

A new group of fine lads has started life at Hopkins and from all indications is easily fitting into the routine here. The First Formers, boys from all over the New Haven area came to the "Hill" feeling alone and friendless; however, soon they were moulded into a closely knit group, displaying, as their predecessors had, definite signs of increasing maturity in their varied activities. For example, the First Formers have done more than their share in athletic contests with other schools, helping to achieve the excellent record of which the Junior School teams can boast. They have also placed an increasingly greater percentage of their members on the Honor Roll.

After having adapted to Hopkins life, the First Formers elected their class officers. Edward Lockwood was named president. Clinton Born vice-president, Bernard Knox secretary-treasurer, and John Huggins Student Council Representative.

We wish the First Formers happiness and success in all their endeavors while at Hopkins.

By compiling the best season's slate in recent years, trying the school record for most goals in one season at 29, and most of all by winning the Western New England Preparatory School Soccer Association league, the 1957 booters will go down in Hopkins athletic history.

Against Pomfret School in an away game, the booters proved their capability by topping the league rivals 4-1. Avon, another league rival, fell before the powerful soccer machine in a 9-0 debacle as goalie Bill Bakke chalked up the first of his four shutouts. Sub Pete Bunting scored three times.

In the third league game of the season Choate played nearly perfect soccer and defeated Hopkins 3-1. Westminster, again a league team, fell before the Hilltopper's powerful array 6-0 with "Squeekie" Sumner denting the nets three times.

Milford Prep provided the league opposition as Hopkins won 3-0. Canterbury was the next victim of the powerful team. The final result, a close one, 1-0. League team Kingswood bowed 2-1 in overtime as Pete Bunting provided the clincher. In the final games Taft got the breaks and won 2-1 on a soggy field at Watertown, and Gunnery tied the soccermen 2-2.

Final tabulation showed a record of five wins and one loss compiled in topping the league. The overall total was six wins, two losses and a tie. In a close race for the individual scoring title, Steve Sewall was the winner with seven goals, followed by Rich Sumner with six, and Pete Bunting with five. Bill Bakke allowed an average of only one goal per game.

Mr. Paul is blessed with eleven returning lettermen plus numerous J. V. veterans. In its first year as a separate unit the Junior Varsity under Coach Gregory and captain Pete Spitzner won two games and lost three. Fullback Charlie Adams will lead the '58 team in its defense of the league title.

The 1957 football season, though not what it might have been, showed a decided improvement over those of the past few years. Sparked by co-captains, Bob Mignone in the line and Walt Parcinski in the backfield, the team proved to have some very fine, well-co-ordinated plays.

The season started off on September 28, on a somewhat blue note with Trinity Pawling defeating Coach Erich's eleven on Pratt Field 19-0. The loss was due to the excellent pass attack effected by the Pawling team. On the ground, the two teams could not have been more evenly matched.

On October 5, we traveled to Avon Old Farms where the season's outlook did not brighten when we were defeated 32-0, in a game which was a record-setter as far as penalties are concerned.

Things went for the better when, on October 19, the team scored its first victory, defeating Gunnery by a 26-7 score. The game showed excellent co-ordination between the line and the backfield and proved the value of really good blocking.

The footballers, on October 26, played Suffield because the originally scheduled Cranwell game was cancelled when Cranwell was attacked by the Asiatic flu. Suffield defeated us by a 32-18 score.

On November 8, Hopkins hosted the St. Mary's team and lost 7-0. We came close to scoring several times and at one point actually crossed the goal line. This score was revoked as a result of the backfield being in motion.

Finishing out the season, we won perhaps our most important game defeating out arch-rival, Kingswood, 26-13. This game was attended by the entire school, and coincidentally proved the most spectacular with long passes, long runs, and several recovered fumbles.

In the season's statistics, Bill Oldakowski was the leading ground gainer, with Frank Fowlkes leading the passing department, and Emil Usinger making the most yardage on punt returns.

Even with a none too impresive record with two wins, four losses, and no ties, the season proved entirely successful with the overpowering of our arch-rival, Kingswood. With numerous returning lettermen, led by captain-elect Bill Dow, 1958 opponents beware!

Led by a strong, well balanced starting five, the Hopkins basketball team of 1957-1958 finished the season with thirteen wins and only two losses to Kingswood. Captain Dave Branon, Rich Sumner, Dick DeNicola, John Jenkins, and Bill Oldakowski scored 83.5% of the team's points.

After an opening victory over Cranwell, Hopkins defeated Canterbury 51-44. Bill Oldakowski scored 20 points as Hopkins defeated the Alumni 70-67. Dave Ryan scored 14 for the losers.

Kingswood scored ten points with one minute and forty-five seconds left in the game to win 38-35. After this loss, Hopkins won six straight games. Following an 80-36 rout of Southbury, DeNicola's two free throws provided Hopkins with an overtime victory of 47-45 over Trinity Pawling. Choate was buried twice 57-34 and 73-32, with an overtime victory over Gunnery sandwiched between the two wins. In a victory over Notre Dame, Oldakowski scored 17 while Jenkins scored 17 and pulled down 25 rebounds.

After losing again to Kingswood 46-37, Hopkins defeated Amity 47-46 as Branon scored 17 points. Jenkins and DeNicola each scored 15 as the Hilltoppers defeated Taft 52-41. In gaining a 58-44 win over St. Mary's, Hopkins rallied from a 20-19 half-time deficit. The season ended on a happy note with a 63-35 victory over Suffield. Jenkins hit his high with 18 points.

Season statistics show that the offensive average was 53.8 points and the defensive average 42. Individual scoring breaks down as follows; Jenkins 144, Branon 138, DeNicola 122, Oldakowski 109, and Sumner 95. This year's Savitt Award for Sportsmanship was presented to Dick DeNicola.

Branon, Sumner, DeNicola, and Kiley will graduate this year, but with the return of Jenkins, captain-elect Oldakowski, Fowlkes, Gfroerer, Kimberly, Stein, and Shanbrom, the varsity should turn in another outstanding season.

Although not undefeated as in previous years, the fencing team enjoyed another very successful season. One trouble always encountered by the fencers is the lack of opponents. The result is that college teams must be faced in order to have a worth while season. This obstacle was quickly overcome under the leadership of Coach "Papa" Grasson and Captain Bob Mignone.

The first match, and first victory, of the year occurred against the Yale Frosh at Yale by a score of 18 to 9. The following meet was at home, a foil match against St. Peters. We beat them 6-3. A temporary setback took place with the loss to the Trinity Fencing Club at Trinity Fencing Club at Trinity 15-12. In a return match with St. Peter's we lost by a score of 5-4.

The fencing team returned to its winning ways over the remainder of the season. They first defeated Cheshire by the score of 19-8. The Harvard Frosh succumbed to Hopkins 18-9. The last meet of the year was against the Yale Frosh. We ended the season with a 16-11 victory.

Top fencers of the foil team were Steve Sewall, Douglas Sucher, and Henry Allen. The epée team consisted of Captain Bob Mignone, John Schneider, and Pete Fielding. On the sabre team were George DiCenzo, James DeLucia, Bruce Harding, and Henry Ross.

If the large gap in the sabre division can be filled, chances look good for next year's team with Steve Sewall as Captain. All of the foil squad will be returning plus Pete Fielding, of the epée, as well as other able fencers who were not on the team this year.

# SWIMMING

The 1958 natators marked a major turning point in the fortunes of Hopkins swimming. Notwithstanding such serious detriments as the lack of a pool, a diver, sufficient practice time, and depth, the team turned in a creditable six and six record, a marked improvement over recent years. There was much fine talent exhibited by such swimmers as Captain Dave Lay, and Form V stalwarts Pat Thompson, Van McClees, Jim McKeon, and Truman Sherk. In addition, Fourth Formers Clark and Lee, and Third Formers Green and Kittredge indicated unusual ability and potential.

Beginning well, with the defeat of Amity, a near victory over Westminster gave evidence of the swimmers' newfound ability. Thus encouraged, Hopkins defeated Cheshire, although the latter posessed an excellent Hungarian athlete. Sound defeats were then inflicted by Stratford, and by the always powerful Peekskill Military Academy. A surprising, but well deserved victory over Trinity Pawling, and the defeat of Wilbur Cross were followed by a narrow loss to Avon. Victories over Hamden and Suffield ensued, but, as was expected, the Yale Freshmen and Canterbury proved to be too strong. As always, fine spirit and determination were in evidence.

All in all, the season was a success, and with numerous returning lettermen there is good cause to expect a winning slate under Captain-elect Pat Thompson and coach Burt Erich next year.

The second year of hockey at Hopkins was plagued by mild weather. The ice didn't freeze until late in the season so that the team could only hold a dozen practice sessions before its first game. The contests with Trinity Pawling, South Kent, Suffield, and Canterbury, had to be canceled due to rain. Despite these handicaps the team, through hard practice at Pawlson's skating rink in Woodbridge, whipped itself into a smoothly functioning organization.

In the opening encounter, the sextet showed the drive and spirit that carried them to a successful record by downing the Loomis J. V. 6 to 2. The Gunnery game, held on poor ice, was won after a hard battle 4 to 2. Goalie Bill Brucksh played an outstanding game making 28 saves. Hopkins next defeated the Choate J. V. 6 to 3 with Hildebrand scoring three and Workman two. In the Taft J. V. game the team played without the services of their injured Captain Gordon Daniell. This hard fought game was won by the Hilltoppers 2 to 1. In the only home game of the season Hackley was completely humbled by the score of 16 to 0.

The high scoring first line was composed of wings Haeseler, Pouzzner, and Workman, and center Hildebrand. The defense which allowed an average of only 1.6 goals per game centered around goalie Brucksch who was helped greatly by defensemen Daniell, and Nickerson. Next year's team will be led by captain elect Bill Hildebrand who topped the sextet in scoring with 16 goals.

# TRACK

Starting practice early before spring vacation, the team quickly worked itself into top shape under the iron dicipline of Coaches Mr. Richardson, Mr. Miller, and Mr. Gillespie.

The first meet with Ansonia at Ansonia was very close but went to the opposition who won the final event. Although the meet was lost 54-50, newly elected captain Emil Usinger set a new school record with the javelin hurling it over 174 feet. The next encounter on Pratt Field was against Amity, but this time the score was different with the Hilltoppers coming out on top 66-29. The captain distinguished himself by taking a second in the pole vault which he had never tried before the day of the meet. If his skill had been known earlier, the first meet might have gone the other way.

With Captain Usinger, Thompson, and Malone in the field events and Schneider, Lee, Parcinski, Sperry, and Sewall on the track, the prospects at press time seemed good. It was hard to predict with some of the hardest meets to come. Trinity Pawling was a strong team to say nothing of the other four-Westminster, Canterbury, Avon, and Notre Dame, all met before the season's end.

Although five key players graduated in 1957, Hopkins still managed to field a strong baseball nine in 1958. Captain Jim DeLucia's team has thus far compiled a record of two wins and two losses.

The season opened on a slightly sour note as Hopkins lost a heartbreaker 2-1 decision to Notre Dame at the West Haven Municipal Stadium. Dick DiNicola was outstanding in defeat, giving up only three hits. Hopkins scored in the second inning on singles by DiNicola and Dave Branon and a Notre Dame error. The Green Nights won it in the sixth when Captain Dick Miller singled home two runs after two were out.

Behind the sensational two hit pitching of Bob Kolb, Hopkins defeated Milford Prep 5-2 and evened its season's record. Hopkins scored a run in the first inning, and Milford tied it in the second. Gene Kiley doubled in the fourth and scored on an error. Then Hopkins clinched the game in the sixth as Bill Hildebrand doubled in a run and, Captain DeLucia singled home two more. Milford Prep tallied once in the sixth to close out the scoring.

The third game of the season saw Mr. Raynor's Yale Freshmen score three unearned runs in the sixth and defeat Mr. Brown's squad 7-6 in a nine inning game. Hopkins scored three times in the first inning on walks and errors and added another in the second when Dick Sumner singled home DiNicola who had walked and stolen second. Ex Hopkins star Lee Titus tripled home two runs and scored on a sacrific fly during the home half of the second inning. After falling behind 6-4 in the sixth, the Bull pups rallied. Titus scored the decisive run on a squeeze bunt.

Playing major league brand baseball, Hopkins scored four runs in the last half of the ninth to gain an 8-7 win over Avon Old Farms. The losers broke a 1-1 tie with six runs in the sixth, shelling starting pitcher Bill Oldakowski. Dick DiNicola finished the game and gained the victory. The tying and winning runs were scored by Branon and DeLucia on a wild pitch and a throwing error.

The outlook for the rest of the year was promising, and the team should have had a winning season.

At the end of April, the outlook for a winning season in tennis appeared to be bright. The team, whose setbacks have been numerous during the past several years, only lost Captain Ted Ledbetter and John Lunt upon graduation. Three veteran players, Tim Buxton, Steve Feinstein, and John Pouzzner, held the first three positions respectively. The other three posts on the varsity squad were hotly contested between Form V students Bill Cullen, Captain Tom Tilson, and Dunc Murphy; Fourth Former Walt Macauley; and Jack Coogan, a Third Former, and a newcomer to Hopkins. In the first, and only, match played at the time of this writing, the squad showed its potential in the narrow defeat of the Canterbury School by a score of four to three. The victory was especially notable because the team had not had a regular place to practice, being forced to travel to Woodbridge to play each day.

Looking forward to next year, continued success is highly probable. All lettermen will be returning, and in addition the fine new courts will allow the team more chance for gaining experience and practice.

# GOLF

Late in April at this writing, the prospects of the '58 golf team, under Captain Ed Kavanaugh and Coach Howard Preston, looked gloomy. The first two matches both went to the opposition. The opener with Cheshire at home ended up with Cheshire on top by a score of 6½-2½. The Suffield match, also at home, was won by the visitors by the same score.

There still remained five matches in which the golf team could have improved their record. Gunnery and Choate were the only away affairs so at least we had the advantage of meeting Milford Prep, Taft, and Kingswood on our own course.

The team was basically a young one with only one Senior, John Merrifield. The other members of the squad were Pete Fielding, Dave Ragaini, Ed Kavanaugh, Jim McKeon, and Dave Kushlan. The rankings of the team members continually changed, but at press time Fielding was first, Ragaini second, Kavanaugh third, Merrifield fourth, McKeon fifth, and Kushlan sixth.

Even with only one Senior on the team the future of golf as a sport at Hopkins seems rather dim. The interest outside of the immediate squad is very small and declining each year.

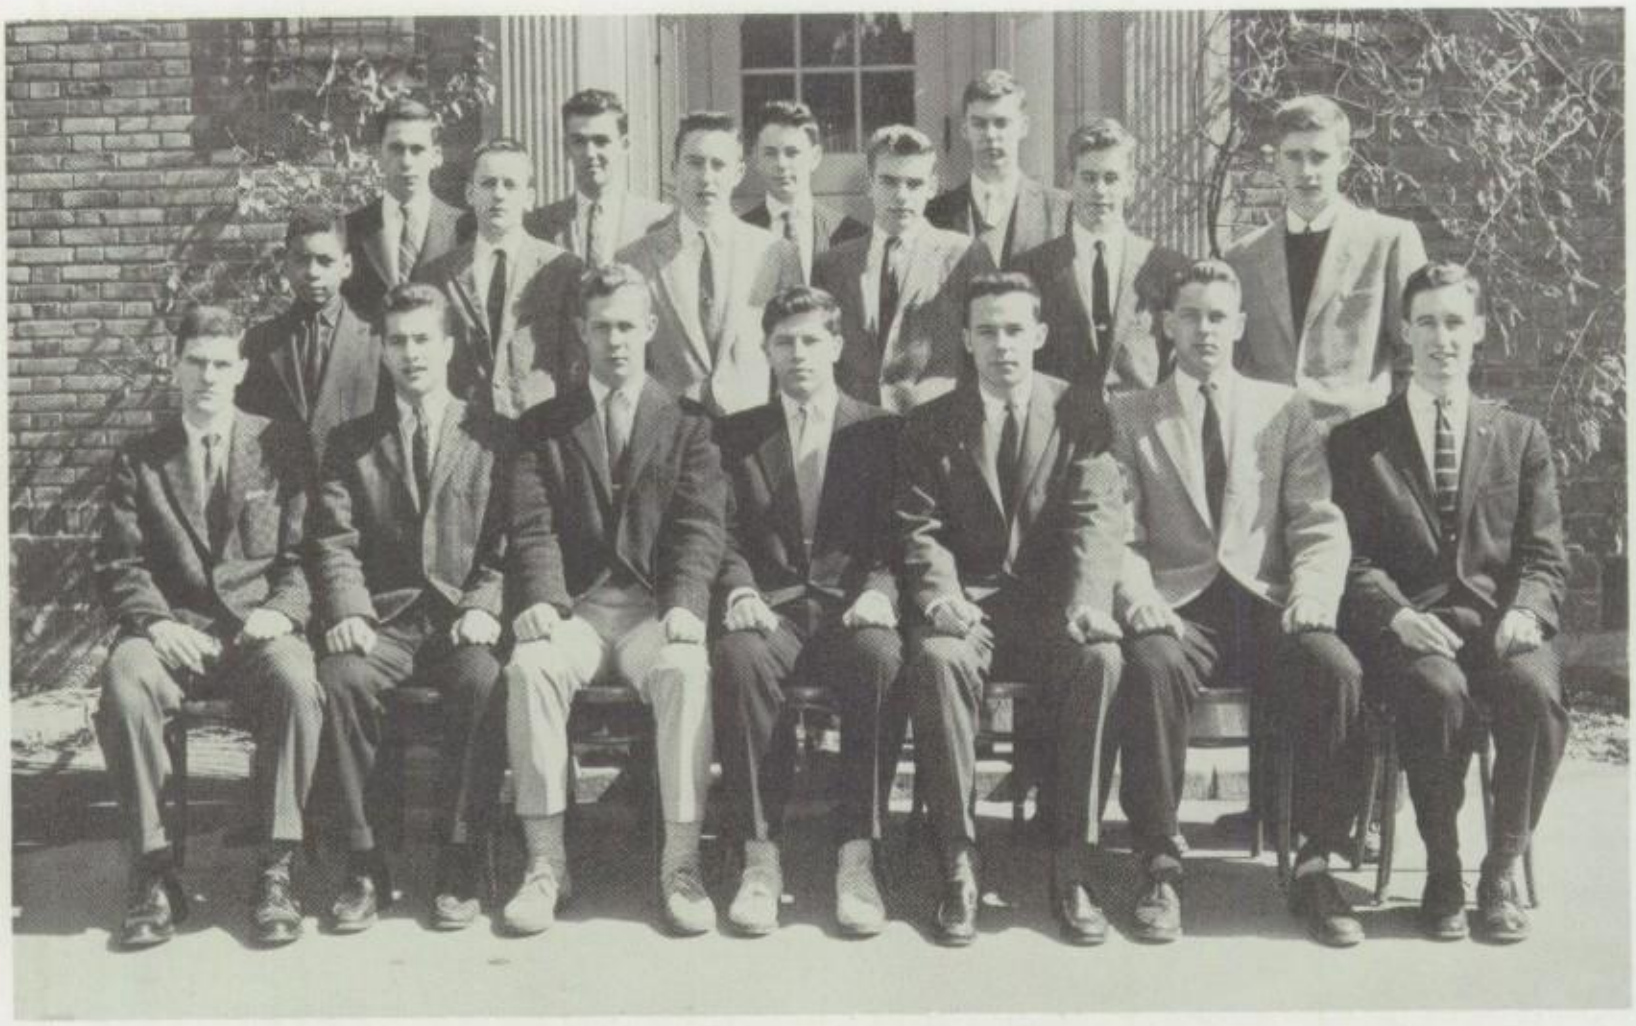
# STUDENT COUNCIL



*First Row*: R. DeNicola, J. DeLucia, R. Dickie, W. Parcinski, Pres., J. Schneider, B. Harding, D. Sperry.
*Second Row*: J. Huggins, D. Tippo, J. Kimberly, R. Lee, F. Buddenhagen, S. Sewall.
*Third Row*: G. Cott, P. Shull, W. Burke, W. Oldakowski.

This year's Student Council, under the able leadership of Walter Parcinski, president, John Schneider, vice president, and Robert Dickie, secretary-treasurer, has been an actively functioning and responsible body, perhaps the most effective ever.

A school wide election, staged by the Council, provided for the establishment of a standard school ring, choosing as the standard that of the Class of 1958; and a new tradition was born. Rings of past years have been class rings and of varing colors, *even* within the class itself.

A senior lounge was established as part of a newly instituted and truly needed system of senior privileges, the ultimate result of the efforts of the Student Council. The lounge, situated in Baldwin Hall, will be shifted to the new building, when it is completed.

Members of the history courses in the Senior School have had their taking of outside reading notes made easier by the fact that the library now remains open during seventh period, under the supervision of a Council member.

After planning the year's social calandar, the Student Council produced the second dance of the season—the highly successful *Winter Wonderland,* planned by a committee consisting of co-chairmen Jim DeLucia and Bruce Harding, Billy Burke, Dickie DeNicola, John Kimberly, and John Schneider.

These are but four of the manifold reasons that the *Pantagraph* wishes to extend to the 1957-1958 Student Council some deserved praise for their truly efficient and worthwhile attempts to improve the school and strengthen relations between faculty member and student. We sincerely believe that they have succeeded in their attempts.

# PANTAGRAPH

Faced with the reputation of last year's heavily subsidized *Pantagraph*, we decided to replace quantity with quality. In our own eyes we feel that we have succeeded, but it is up to you, the reader, to judge.

The outstanding change is in the cover, a completely new, modern design. At the beginning of the book there are improvements in the frontpiece and contents and additions of several special pages. Nearly every part of the book has been altered for the better.

Without the fine efforts and co-operation of the whole staff as well as many others not on the staff, this book would never have been printed. Again this year Mr. Reid was always ready to lend a helping hand when we ran into problems. Even with all our work the book would not be sitting before you if it was not for the photographer Jay Storm and the printer S. Z. Field.

Heading the whole production was Editor-in-Chief David Hummel. His able assistants were Fred Wintsch, Managing Editor, and Douglas Sperry, his assistant. The cartoons are the work of David Branon and the dividers Walter Parcinski. The writers were Bluhm, Doob, Falco, Ross, and Schneider. The typing was done by Pete Spitzner and Joe Sampiere. Heading the business staff was Manager Richard Sumner, with aids Freedman, Anastasio, and Carlson. The excellent candid photography is due mainly to the hard work of Wintsch, Backstrom Korper, and Freedman.

*First Row*: T. Falco, D. Sperry, F. Wintsch, D. Hummel, Ed., R. Sumner, W. Parcinski.
*Second Row*: A. Freedman, J. Schneider, D. Branon, H. Ross, E. Anastasio.
*Missing*: C. Doob, P. Bluhm, P. Spitzner.

# RAZOR

*First Row*: G. DiCenzo, R. Haeseler, M. Wilder, R. Mignone, Ed., D. Koenigsberg, J. Schneider, T. Hamilton, D. Hummel.

*Second Row*: E. DeNoyon, Adv., S. Feinstein, N. Milikowsky, A. Schwartz, A. Rogol, S. Korper, J. DeLucia, S. Gollinger, G. Mettler.

*Third Row*: G. Cott, P. Shull, G. Linsley, P. Spitzner, F. Wintsch, A. Freedman.

*Fourth Row*: J. Shanbrom, G. Choban. T. Falco, B. Harding, P. Meehan, A. Schwartzman.

*Fifth Row*: A. Green, J. Waronka, D. Konowitz, J. Reynolds, W. Dow.

Led by Editor-in-Chief Bob Mignone, the *Razor* continued its tradition of being a superior newspaper despite some laxity in proof reading. Others on the editorial staff who did creditable jobs, were News Editor Daniel Koenigsberg, Sports Editor Michael Wilder, Features Editor Robin Haeseler, and Associate Editor John Schneider. The writing staff, typists and photographers deserve much credit as do Advertising Manager George DiCenzo, Circulation Manager Taber Hamilton and the business staff.

Individual members of the *Razor* also brought honors to it. At the Connecticut Press Conference Michael Wilder was elected a member of the Student Advisary Council, Dan Koenigsberg placed second in the news writing contest, and George Choban placed second in the features writing contest. In addition, an article by Choban on tuberculosis was judged the best in Connecticut, and a prize of ten dollars was awarded him.

Faculty Advisor Mr. Edward DeNoyon deserves thanks for his helpful suggestions and constructive criticism. Although far from perfect, the *Razor* provided entertaining reading as it covered interesting developments in news, features, and sports as related to the school.

# LITERARY CLUB

The Literary Club of 1957-58 was composed of only fifteen students, a relatively small membership. However, this turnout, apparently disappointing, was in general a very auspicious factor for the welfare of the club. Many discussions became more informal than in the past, and greater opportunity was presented for total participation.

When it sometimes transpired that several of the assigned readers weren't prepared, there was a more detailed criticism of the remaining pieces or conversation switched to general topics.

Like many adolescents the members specialized in clever poetry, satires, horror stories, and character sketches of abnormal people.

To sum up, this year's literary club, in spite of occasional laxity, had a successful, profitable year.

*First Row*: N. Hopton, S. Sewall, C. Doob, Pres., J. Cohen, J. Finkle, A. Welch.
*Second Row*: Mr. Reid Adv., J. Perelmutter, D. Sloane, N. Milikowsky, W. Roth.

*Third Row*: S. Korman, R. McLees, J. Casner, W. Oldakowski.

*Fourth Row*: B. Robbins, G. Moakley, T. Tilson.

Under the leadership of Walter Bloch as president and Mr. Beeken as advisor, the Science club became an active organization.Stephen McDonald was elected vice-president and Fred Wintsch and James Cohen were elected co-secretary treasurers.

The main objectives of the club were first to promote scientific ability under supervision, second to encourage the exchange of ideas between those boys interested in science, and third to establish the club as an organization beneficial to the school. With these goals in mind, the Science Club started working on a business-like basis. One of the problems faced during this year was learning self-management, which entailed writing a new constitution and building up club procedure. This year can be termed as a trial year and the mistakes will be corrected in the future.

Meetings were held twice a month in the beginning of the year but because of lack of time for any progress they were called much more frequently. With more time together, the club as a whole accomplished a great deal of science. One of the projects handled was that of building a weather station. The meetings were not only devoted to working on individual projects but several films were shown and a few speakers were heard.

The efforts of all involved were shown at the science fair which was held this spring.

# GLEE CLUB

Enjoying its finest season in history, under the professional direction of Mr. Herbert Richmann, the Glee Club quickly learned a wide selection of music and was then able to apply much more "polish" than formerly. The group, with a large percentage of new members, was often compared to college groups in tonal quality.

The traditional Christmas concert with the Prospect Hill School was an auspicious start for the year's activities. One of the most notable events was the February 22nd excursion to Miss Hall's School in Pittsfield.

The next four weeks were devoted almost entirely to the preparation of Handel's *Messiah*, for the Spring Choral Festival. Practice was highlighted by a joint rehearsal with Prospect Hill. Many long hours were devoted by the boys, pianist Bob Wilson, and Mr. Richmann. Late in April, the Choral Festival, the peak of the year's efforts, was presented in Hartford's Bushnell Memorial Auditorium under the direction of Dr. Moshe Paranov. Following the annual May concert with the Day School, the glee club presented several numbers at the graduation ceremonies.

The Harmonaires, a small vocal group consisting of the glee club's finest talent, had a below average season. They appeared at several school dances and outside functions.

In recognition of the singers unusual ability, a record has been prepared, with songs by both the glee club and the Harmonaires.
